

Signs

“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring.” Luke 21:25

The Lord said in Luke 21:25 that before he returned to earth there would be signs. John prophesied in Revelation 1 that there would be a **great sign**, *“And there appeared a **great wonder** in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:”* - Revelations 12:1 - και **σημειον μεγα** ωφθη εν τω ουρανω γυνη περιβεβλημενη τον ‘ηλιον και ‘η σεληνη ‘υποκατω των ποδων αυτης και επι της κεφαλης αυτης στεφανος αστερων δωδεκα.”

Here I believe we see a symbolic picture of the redeemed nation of Israel, (not Israel according to the flesh), who is put here as the woman and the birth of the Christ child. I believe this symbolism appeared as a sign in the skies over Jerusalem signaling his birth in the alignment of the stars on Rosh Hashanah 9/11/03 BC. (Romans 2:29; 9:6) So the woman does refer to the nation of Israel, but not physical Israel, but to that sector of OT and NT Israel that had believed on Jesus Christ as their Savior.

On that day the constellation **Virgo** (the woman) was clothed with the sun and the moon was under her feet. Above her head were the 3 planets Mercury, Venus and Jupiter, which were in alignment with the star Regulus in Leo; Regulus was also in conjunction with Jupiter. The 9 stars of Leo and the 3 planets make up the crown of 12 stars. This occurred on Rosh Hashanah 9/11/03 BC (9/11?) This occurred once again on 9/23/2017 AD 2 days after Rosh Hashanah on the day of Shabbat Shuvah (Return). Here we have the beginning of the Jewish New Year, the Day of Atonement and the returning to God in repentance all occurring in this same time frame, which is on 9/23/2017 AD.

There was also a solar eclipse over America on 8/23/2017. The time for repentance that year began 8/21/2017. So we have a 1) solar eclipse, 2) the time of repentance, and 3) the constellation of Virgo on 9/11/2017 appearing the first time since the birth of Christ in 9/11/03 BC! This is not an ordinary concept to have all three occurring at the same time for the constellation Virgo is associated with Jesus Christ and redeemed Israel. All during the fall observances of Israel.

Not every biblical scholar believed that the 1260 days here referred to the 7 year Tribulation, but that there was something else going on in addition to it, and it dealt with the Catholic church and the pope also known as Babylon. The people of God had been persecuted for centuries by the pope, so God provided a place of refuge for them – the wilderness. It brought in an accepted idea of the day-year concept found in prophecy, so that the 1260 days were 1260 years!

The number of people living around the Mediterranean and surrounding areas in those days was noted at around 155 million. Very little was known about the rest of the world, especially the continent of the Americas. The rest of the world to them was known as “**The wilderness**”. Beyond the Straits of Gibraltar, which were called the gateway of the Mediterranean Sea to the Atlantic Ocean, all the world that existed past that was called “**The Ends of the Earth**”.

Jonathan Edwards wrote that the 1260 days of Revelations 12:6, *“And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.”* were **prophetic day years denoting 1260 years that the Church, which was primarily made up at the beginning of born again believers from the 12 tribes of Israel, would be protected by God in the wilderness from the papacy.**

It was in 756 AD that the pope was given temporal power over the entire world by Pepin the Short, who was the first of the Carolingians. This took place in 756 AD and 1260 years from this date ends up in the year 2016! A side note on this was it was the Carolingians, who were mayors of the palace that killed the descendants of the Merovingians. For a further background on the Merovingians see the book, Holy Blood, Holy Grail by Dan Brown.

Now if we take this date of 2016, and if we take the day year theory of 1260 years, then we find some interesting things going on. When we come down to the year 2016 there is one significant political, historical event that took place, which was one of the greatest shocks in history, and that was the election of Donald Trump as President of the United States. And even more so it was over the Catholic globalists candidate Hillary Clinton.

Could it be that this affected Satan's schedule for total world domination possibly setting it back, or hindering it for some time? If we take 3 ½ years from the start of the business year starting on July 1, 2016, and go forward 3 ½ years, then we end up in the year 2020! And 2020 has been a year of all-out attacks on America, our President, our constitution, white people and our people, especially on believers in Christ. No wonder the globalists are raging as they see their plans hindered. God has certainly protected his people in the "wilderness", especially here in America.

But let's say that January, 2016 was the beginning of the 7 year Tribulation, which would make the summer of 2019 half way through and it is here where we see things being brought into play/ The globalist's plans were threatened by the election of Donald Trump, so they went after him with a vengeance with phony Russian collusion, impeachment hearings, etc.. They were at war with America and its people by attacking our President.

Having failed in every area against Trump they then directed their attack against the American people. We have had a propaganda war directed against us through TV and the news media, which they own and control, all based upon lies and deception. We have had biological war directed against us by the Corona virus, which the globalist Communist Chinese invented and brought to our shores killing or weakening countless thousands of people. Economic warfare was brought into play through the lock down of our country to destroy our economy. And **2020** was when it all started, which would make it in the second half of the Tribulation, if we take its **beginning at 2016**. So if **January 2016** marked the beginning of the Tribulation, then **January 2023** would be its end. **2020** would mark the beginning of the persecution of the saints, which is presently occurring all over the world. Which means there is less than 2 years to go. And **Rosh Hashanah 2022** would mark Christ's return to earth!

The war against redeemed Israel living in the wilderness rages on to this very moment; the satanic globalists are furious with the people of God. Their anti white, anti Christian bias has been stated and shown all throughout this and knows no bounds. The globalist puppets in the Democratic party have already stated that they are going to dismantle our constitution, take away our religious freedoms, do away with our God given rights, force marking vaccines on us, and bring in UN troops to go after Trump supporters, that is, the conservatives and Christians in our beloved nation.
