

For those of you who have listened to my entire series on how sin, guilt and shame were removed from us in the atoning death of Christ, I've condensed it into something one can use for personal application, something that the believer can go over each day for confidence and encouragement before the Lord.

Sin, Guilt and Shame

Sin has been removed from me

I have been forgiven

I am not guilty

There is no shame on me

I have been cleansed, purified and forgiven

I am righteous in the eyes of God

No accusation of sin can be laid against me

I will not be condemned

I cannot be condemned

Therefore, there is no basis whatsoever for feeling guilty, worthless, or ashamed

There is no basis whatsoever for feeling ashamed of who I am, or what I have done
