

Universal Peace Document

#57

As I have stated before, the title of the series is 2019 because I'm convinced that we will see something occurring between the years 2012 to 2019 that will let us know if we are in a part of the Tribulation, or at the point of it beginning.

For example, "In remarks to Breaking Israel News, Rabbi Berger cited a medieval rabbinical source that predicted that while the first two temples were built by Israel, **the third would be built by the descendants of Edom**," a phrase that in some later rabbinical literature is a euphemism for the Christian world."

And in my study, "**Jews/Edomites**", I have shown that those who call themselves "Jews" are not Jews at all; they are not from the Tribe of Judah, nor any of the other 11 Tribes of Israel, but are actually descended from Esau and are Edomites. It is these Edomites who have set up and control the nation of Israel, plus the United States of America.

America hosted a peace conference in Warsaw, Poland in February this year to negotiate peace in the Middle East, but Russia, the Palestinians, China and Iran have rejected the entire process. These nations are all major players in the end times and the war of Armageddon. It is said that Kushner is the main player of bringing this all about and it is called "Kushner's Peace Plan".

March 10, 2019 was the date that the Mormons dedicated their temple in Rome and you can be sure that nothing takes place in Rome without the Pope's approval. Also the Muslims are building their mosque there. While they were there the leaders of the Mormon Church and the leaders of Islam had to sign a "**Universal Peace Document**" also referred to as a "Peace Covenant"! This document was signed February 4, 2019.

Daniel prophesied about this covenant that will be confirmed with the many, (not everyone), which will be the precursor for the Tribulation. Daniel 9:27, "*And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.*" It strongly appears that this Universal Peace Document will be the prophesied peace covenant.

The Vatican has a king, in fact, **the Pope is the king of the Vatican**. Since the Pope is elected the position is non-hereditary and as a king he has some governing to do. The Vatican has its own police, traffic wardens, postal service, courts, utilities etc. Since, however Vatican is a kingdom, with no democracy, it cannot enter the European Union where only democracies can join!

This is important because Rome will be, and is, the city that rules the world. Revelation 17:18, "*And the woman which thou sawest is that great city, which reigneth over the kings of the earth.*" Now the word for **reigneth** here is *basileia*, which denotes **the rule of a king**. It will be a city that will be an incorporated entity; the type of rule that it will have is the rule of a king; it will have a king reigning over it; and that king is the **pope**.

Now many today are wondering if Jared Kushner is the antichrist, time will tell on that. But his name does break down into two ideas: **ner** - a lamp, and **Cush** the son of Ham in the OT. **Ham** was the rebel against God and his son, **Cush**, was the originator of the Satanic Babylonian system. Cush was known as the False Prophet of Babylon and his son, **Nimrod**, was its political ruler. It was Ham's other son, Canaan, that had a curse levied against him. Genesis 9:25, "*And he said, Cursed be **Canaan**; a servant of servants shall he be unto his brethren.*"

The name Kushner comes from the Ukraine, which we have discovered is where the Edomites settled into after they migrated northward after Rome destroyed Jerusalem. Kushner calls himself a Jew; he practices Judaism, but he is not from the 12 tribes, but is a descendant of Esau, who had been all throughout history the enemies of God and the true Israel of God. It is Kushner who is brokering this peace treaty in the Middle East. **So we have Kushner uniting all the nations together in the political arena, while the pope, the false prophet is uniting all the religions together!**

Another interpretation of Kushner using the English rules of grammar is breaking down the name into the root - **Kush**, and the suffix - **ner**. **Ner** meaning derived from, so **Kushner** means he is derived from Kush. Kûsh would be the English spelling of כּוּשׁ. The word **Ethiopian** is just another word for a Kushite for the Descendants of Kush lived in Egypt, Africa, Saudi Arabia and Ethiopia. Jeremiah 13:23, "*Can the Ethiopian (kûshîy) change his skin, or the leopard his spots? then may ye also do good, that are accustomed to do evil.*" Kenya is supposed to be the birth place of Obama and the main tribe of Kenya is from Kush. Also the antichrist is supposed to be a Cushite.

As I stated earlier I believed from my years of study that the years 2012 to 2019 were going to reveal something about where we are at in the end times, whether in the middle of the Tribulation or when it's about to start, and I think we are now at the place where it is no longer going to happen any time soon, **but has already started!**

I also stated that people are under the misconception that they are going to be aware of this peace treaty that Israel is going to sign, that it will be a public matter. But I brought out the idea that maybe that's not true! Maybe they are going to broker these deals behind closed doors as we have seen them do over and over. We didn't even know about the signing of the Universal Peace Document until it had already happened! It happened last month and we are just finding out about it today and already 60 nations have signed on to this peace treaty.

Even the number of the office building that Kushner owns on 5th Avenue in New York City is 666! His first name is **Jared**, which comes from the Hebrew word *yered*, יָרַד. **Yered** means descended from, which means that he is descended from Kush. But in what sense? Racially? From the descendants of Kush? Or in the theological, religious beliefs that Cush taught? His office building housed Lucent Technologies, which is the company developing the RFID chip to be used for identification.

Daniel 9:27, "*And he shall confirm the covenant with many for one week:*" -

וְהִגְבִּיר בְּרִית לְרַבִּים, שָׁבוּעַ אֶחָד

He shall confirm covenant with the many one week - *gâbar b^erîyth rab shâbûa' 'echâd*.

To **confirm** means to make valid or binding by a formal or legal act; to ratify, but *geber* doesn't mean that when it comes to the antichrist "*confirming*" the covenant with Israel. It has the idea of to be strong, to prevail, to be mighty, power and strength, mighty in power, to compel, to impose, to force, constraint, overbearing behavior. The emphasis of *geber* lies in power and strength, in superiority, of dealing from the upper hand, to be stronger than someone, to be superior to someone. Arbitration, negotiation and mediation ideas are not in view here. The two contracting parties are not viewed as on equal standing or footing. **But the idea that the one who initiates the covenant to the other has prevailed and forces it on the other party from a position of strength!** The verb to **confirm**, *geber*, is in the hiphil preterite which is an active causative stem showing that **an action is caused to happen!**

Perhaps there has been an error in logic where we have assumed that the Peace Treaty will be for 7 years because Daniel's 70th week is for 7 years. So we keep looking for a peace treaty that has a 7 year provision written in it. But the peace treaty may be one that has no time limit to it, but goes on in a continuing basis. The reason why there is 7 years to the treaty is because there will only be 7 years left before Christ returns!
